ACTION TAKEN REPORT

Feedback on Curriculum from Professionals

Academic Year: 2021-2022

Even though there is limitation at our end to include the above remarks provided by the professionals in BHMS and M.D. (Hom.) curriculum, we are ready to implement the same at our level best. The committee asked UG Co-ordinator, PG Co-ordinator and respective HoDs to provide wide exposure on skills and practical, more patient centric exposure teaching to be provided and ensure the adequacy of ethical values imparting through the curriculum.
