PARENTS  
2017-18**

## FEEDBACK ANALYSIS OF STAKEHOLDERS & ACTION TAKEN REPORT

### FEEDBACK FROM PARENTS

(2017 - 2018)

SL.NO.	FEEDBACK	ACTION TAKEN
1.	Regarding the Personality Development of their wards- 25.8 % parents opined as good were 4.8% as average	The Principal had instructed the Academic Coordinators and mentors to observe the students, identify their defects , enquire the reasons and take adequate steps to rectify. And also had decided to incorporate various Personality Development training classes for the students.
2.	Regarding the Infrastructure facilities: 27.4 % remarked as good and 3.4 % as average. (Library facilities and sports facilities for female students in hostel)	The Library was upgraded with new books, well resourced research section, separate provision for e-resource utilization, separate divisions for faculties and students etc. The female students were equipped with ample space for outdoor games with good security in the front yard of hostel having well demarcated courts .
3.	Regarding the Placement opportunities and Carrier guidance 24.2% remarked as average were as 6.5% as poor.	The authorities had decided to conduct many carrier guidance programmes for Interns and PG students for their further studies and clinical practice and to enhance placement opportunities by conducting campus selection .
4.	Regarding the encouragement in participation in co curricular activities- 19.4% as good and 2.4% as average	The decision were taken to enhance the student participation in various college committees and clubs and encourage the student participation in various extension activities.
5.	Regarding the improvement in hostel facilities: Dress washing and drying areas should be improved	The authorities had extended good facilities separately for gents hostel and ladies hostel for dress washing and drying.
6.	Regarding food menu: Should be changed once in a month	Regular meeting with each batch students are carried out by the staff warden in both hostels and the suggestions put forth by the students are considered and action will be implemented based on the majority opinion which includes the food menu.
