PARENTS  
2018-19**

## FEEDBACK ANALYSIS OF STAKEHOLDERS & ACTION TAKEN REPORT

### FEEDBACK FROM PARENTS

(2018 – 2019)

SL.NO.	FEEDBACK	ACTION TAKEN
1.	Regarding the overall Personality Development of their wards-1.1 % claims it as average and another 1.1 % opined it as poor.	The Principal had instructed the Academic Coordinators and mentors to observe the students attitude, discipline and behavior and identify their defects, enquire the reason for the act and take adequate steps to rectify. And also had decided to incorporate various Personality Development training classes for the students especially at the beginning of their course.
2.	Regarding the quality of Academic Resources:1.1% marked as average.	The Principal had directed the HoDs to enquire about the lacking areas in the academic side from the students and submit a request letter on required materials.
3.	Regarding the encouragement in participation in co curricular activities-2.1% as average and 1.1 as % as poor.	The authority had taken decision to encourage the participation of more number of students in various college committees and various student clubs and encourage the student participation in various extension activities by giving community postings and volunteer selection for various extension activities .
4.	Regarding the Placement opportunities and Carrier guidance : 7.4% remarked as average were as 1.1% as poor.	The authorities had decided to conduct many carrier guidance programmes for Interns and PG students for their further studies and clinical practice and to enhance placement opportunities by conducting campus selection .
5.	Regarding the encouragement in participation in extracurricular activities-3.2% as average	The decision was taken to enhance the student participation in various intercollegiate arts and sports meet.
