FEEDBACK ANALYSIS OF STAKEHOLDERS & ACTION TAKEN REPORT

FEEDBACK FROM TEACHERS

(2017-18)

SL. NO.	FEEDBACK	ACTION TAKEN
1	4.54% of the faculty were inconclusive about the relevance, updation and ability of the books and reference materials prescribed in the syllabus to cover the entire syllabus.	As the books and reference materials for the syllabus are prescribed by the affiliated University, the teachers were asked to provide additional lecture notes and necessary study materials from the books of their interest.
2	4.45 % of the faculties were inconclusive about their freedom to adopt new techniques for assessment and evaluation of students achievements.	Appropriate changes were made in CCIE of the institution based on the ideas of the Faculties.
3	6.8% of the faculties feel that maintenance of Wash room was poor.	The cleaners were instructed to clean wash room regularly on daily basis and whenever necessary as soon as reported.
